WHY AM I RECEIVING THIS STATEMENT?

Each year Virginia Housing reviews your escrow account to ensure it is properly funded, based on your upcoming real estate taxes and/or insurance premiums. This statement will provide details of all changes in your escrow account which may result in a change to your monthly payment amount.

Your new monthly mortgage payment will be effective April 01, 2025

WHY ARE MY PAYMENTS CHANGING?

Changes to your monthly escrow amounts are common. They're often a result of an increase or decrease to your real estate taxes and/or insurance premiums. This table shows how your escrow mortgage payments are changing.

	Current Payment	New Payment
Principal & Interest	\$1,914.67	\$1,914.67
Escrow payment	\$853.82	\$1,032.67
Total payment amount	\$2,768.49	\$2,947.34

If your account is setup on automatic draft the amount of your draft will automatically be updated. If your payment is issued by a third party or if you make your payment through a bill pay service, please be sure that your new mortgage payment amount is updated with that service provider.

The projected annual amount above when divided by 12 months equals your New Monthly Escrow Payment.

Escrow Lowest Balance	
	Lowest Balance Amount

\* The required escrow lowest balance (reserve) is explained on page 2

Due to the delinquent status of your account, the estimated surplus is not available.

The differences between projected and actual payments to and from your escrow account may create a shortage or a surplus in your account. The most common reasons for differences between your projected escrow lowest balance and the required lowest balance is due to change in real estate taxes and insurance.
